# ECOLIT<sup>®</sup>

**ECOLIT Dry mortar for on-site preparation of Lightweight Concrete**

#### APPLICATION MANUAL:

Material Application Guide is available online  
Visit: [www.ecolit.ee](http://www.ecolit.ee)

#### SAFETY PRECAUTIONS

Mixing of mortar should be conducted in a well-ventilated area. Personal protective equipment (glasses, gloves, clothes) should be worn at all time when using this mix. Smoking and eating are prohibited in the work zone.

In case of direct contact with skin immediately wash with soap and water, dry and apply any crème/body lotion containing fat. In case of contact with eyes, rinse eyes properly with water for at least 15 minutes. Seek medical help if necessary. If swallowed accidentally, seek medical advice immediately.
